- No more early decision for UOP, now moved to an Early Action Period which means everything that is early decision had but without the need for committal
- UOP has tiers/rolling admissions style application
 - Better to apply during Tier 1 (September 4 through October 1) because it means that there are more seats open during that period
- You can go on the UOP Admissions website under Transferable Courses to check which UC Davis classes are applicable for pre-requisites stipulated by UOP
 - Email pharmdadmission@pacific.edu for more specific information about pre-requisite requirements
- What housing resources are available for students?
 - There are more than 4 student housing buildings
 - Half of pharmacy students at UOP live on campus
 - Parking permits are \$100 a month
