NAME GAME

Everyone form a big circle and introduce your first name, along with an adjective that starts with the same letter as the first letter of your name.

Ex. Hi, I'm joyful Janeene(:

Then, we will go around the circle and each person introduces themselves and the names (+ adjectives) of the people before them! Pay attention and test your short-term memory!

GAME: SQUIRT

Everyone form a big circle and introduce your first name!

One person stands in the center of the circle and calls out a name of a person in the circle.

Then, the called person has to duck, and the person on the left and right of the called person does a finger squirt gun and says "SQUIRT!"

Whoever first calls out "SQUIRT!" wins and the other person is eliminated!

Thank you all for coming!

T-shirt taffle time! + grab candy(:
Let's start off the WQ strong together!
